Summer Programme 2015 – Bourne Active

Dear Parents & Carers,

Welcome to our summer term programme! We have lighter and hopefully warmer evenings to enjoy, so let's get active, outdoors & start our summer Beaver adventures!

This term we will be working towards badges on both the old & new badge programmes; The Global Challenge badge on the old programme and the My Adventure Challenge Award on the new programme. The old programme will retire in Autumn term 2015, we are in a transition period this term so please bear with us. Many of our activities complete elements of activity badges and challenge awards, all of these are logged and we award badges as they are achieved. We will also be taking on some new staged activity badges; Navigator and Paddle Sports.

Parent Helpers are welcome anytime! If you have a particular interest in a programme activity, please join us!
